Re: 035-17240-00070
First Notice-only change to
MSOP 035-12340-00070

Dear Mr. Wehner:

H & L Plating and Grinding, Inc., was issued a permit on October 10, 2000 for a stationary hard chromium electroplating operation. A letter notifying the Office of Air Quality of a transfer of ownership and change to the Authorized Individual was received on May 12, 2003. Pursuant to the provisions of 326 IAC 2-6.1-6(d)(3) the permit is hereby revised as follows:

J & J Wehner Inc. became owner of the source at 410 East Willard Street, Muncie, Indiana operated by H & L Plating and Grinding, Inc. The source will operate under the name of J & J Wehner Inc., dba H & L Plating and Grinding. The new Authorized Individuals will be Joseph G. Wehner, President and/or Jeannie A. Wehner, Vice President replacing Howard Larsen of H & L Plating and Grinding, Inc. These changes became effective April 28, 2003. All operations and methods of reporting remain unchanged.

Due to a name change, references to the Office of Air Management (OAM) were changed to the Office of Air Quality (OAQ). The appropriate reporting forms were updated to reflect the new operating name of the source.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Gary Freeman, at (800) 451-6027, press 0 and ask for Gary Freeman or extension 3-5334, or dial (317) 233-5334.
